

SUSTAINABLE DEVELOPMENT GOALS

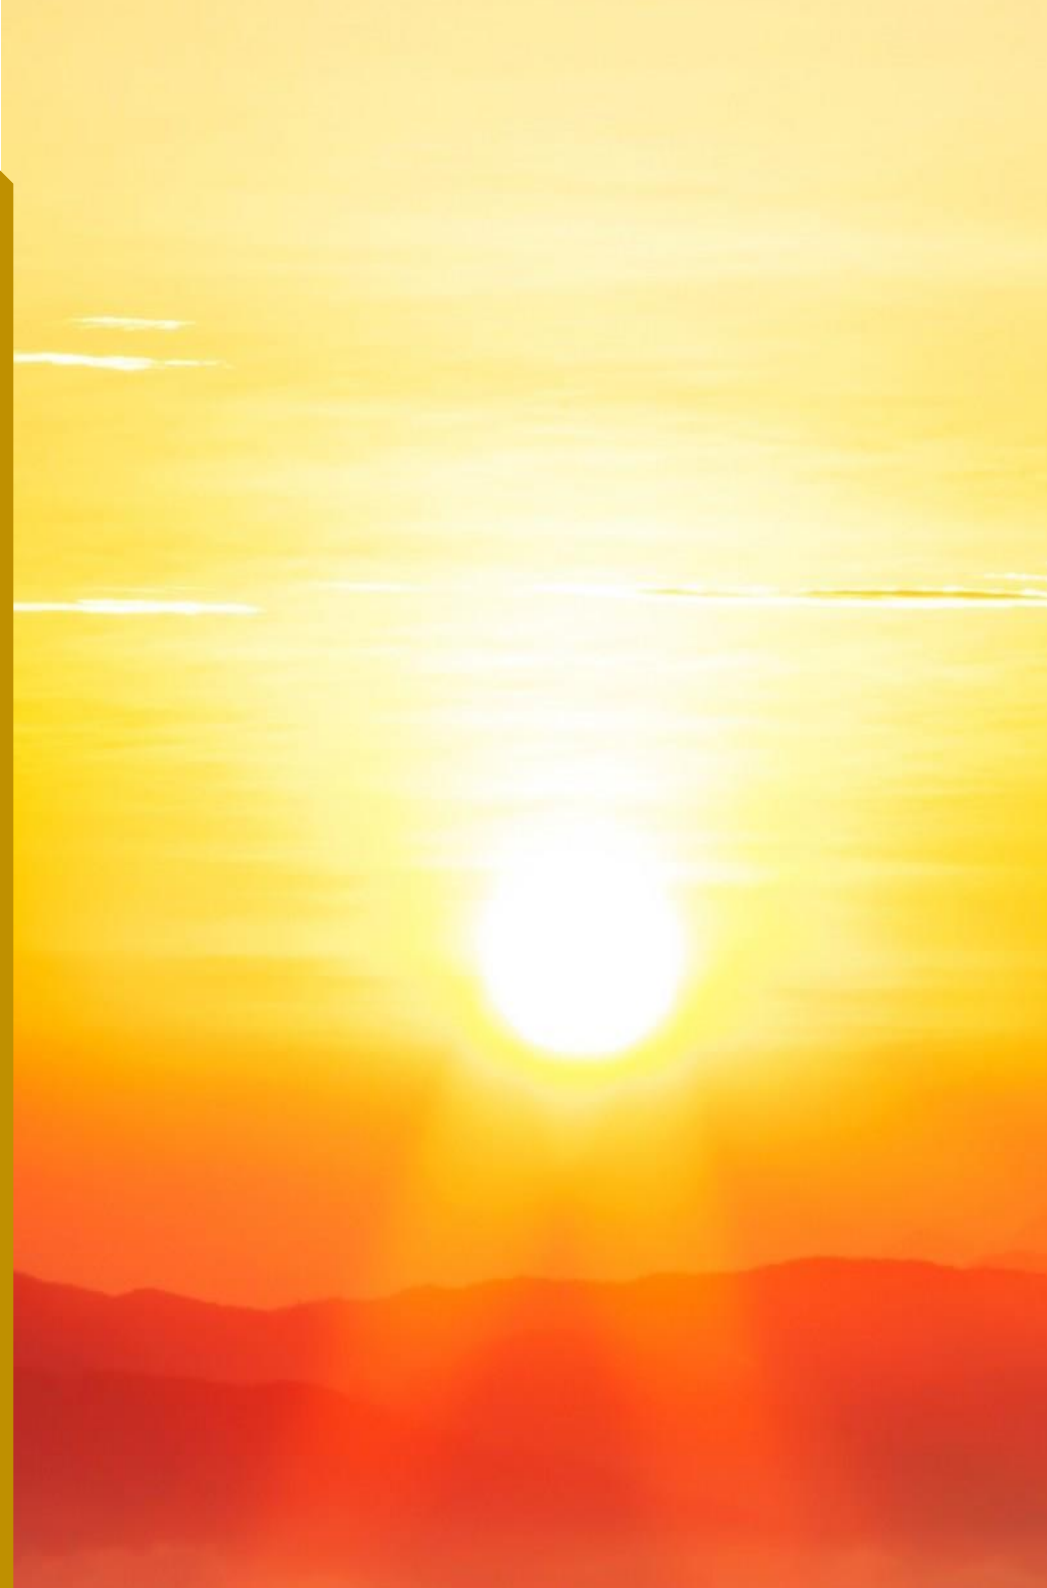

ANNUAL REPORT 2022/23

ABOUT TASHKENT STATE UNIVERSITY OF ORIENTAL STUDIES

Tashkent State University of Oriental Studies (TSUOS) was founded in 1918, making it one of the most historical and unique universities in Central Asia. TSUOS prepares specialists in oriental studies, linguistics, history, literature, political science, economics, tourism, etc. There are 7 faculties and 27 academic departments at TSUOS. Additionally, students can study 14 bachelor's, and 15 master's specializations, and 10 doctoral research areas within the university.

WHAT IS OUR GOAL?

TSUOS is a multidisciplinary educational institution specializing in further strengthening and developing the existing potential of the country in the field of Oriental Studies and training modern orientalists to meet the need for personnel who can interpret simultaneously and analyze the socio-political processes. Besides, helping further improve the quality of training personnel with comprehensive knowledge by international standards in the field of Oriental Studies, the rapid development of science, capacity building of teachers, continuous improvement of pedagogical skills, and the education of students based on oriental values are considered the main goals of the university.

Sustainable Development Goals 7

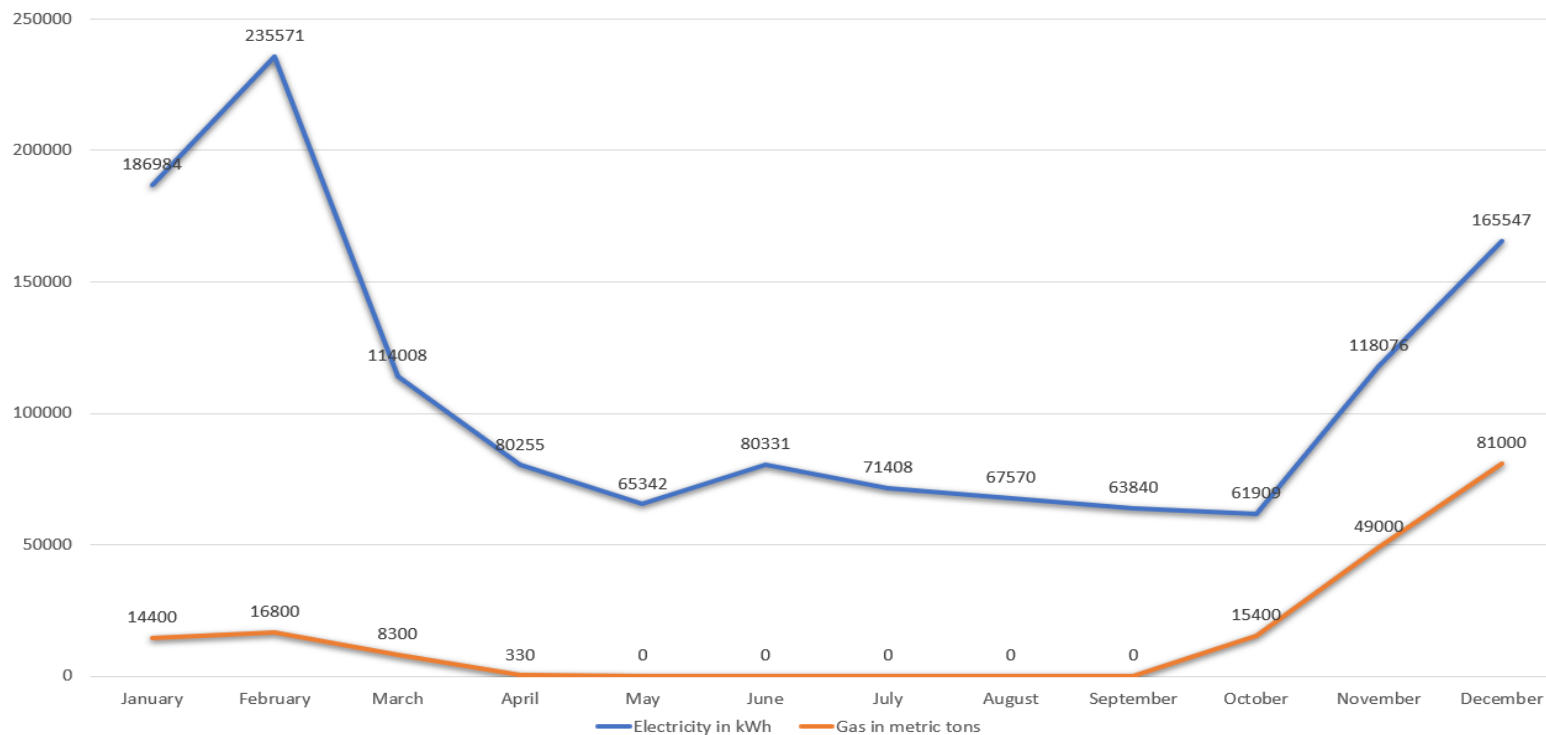

7 AFFORDABLE AND CLEAN ENERGY

The installation of 760 kWh solar panels has been approved based on the solar panel installation program at the university. The measures to include these panels in the "Green Energy" platform of the Customs Committee of the Republic of Uzbekistan and to connect them to the networks of the Joint Stock Company "Regional Electric Networks" were completed on September 28, 2023. The work in this regard is carried out to prevent pollution of the environment, to create a stable ecological environment, and to ensure a healthy and prosperous life.

The usage of electricity and gas of TSUOS in 2023

No	Renewable Energy	Annual Generation (in kWh)
1	Solar panel	240 380
2	Solar streetlights	3 996
	Total	244 376

6 584 000 000 UZS was spent to install solar panels at TSUOS in 2023. The number of streetlights working on solar energy is 37, they generate 333 kWh electricity in a month.
