

The 4th International Conference on "SUSTAINABLE DEVELOPMENT: WOMEN'S INITIATIVES IN SCIENCE AND BUSINESS"

INFORMATION LETTER

According to the resolution of the UN General Assembly, in connection with the celebration of February 11 as "International Women's Day in Science" since 2016, on February 10 the Senate of the Oliy Majlis of the Republic of Uzbekistan, the Ministry of Higher Education, Science and Innovation, the Academy of Sciences of the Republic of Uzbekistan, Family and Women's Committee of Uzbekistan, Creative School named after Abdulla Kadiri, Youth Affairs Agency of the Republic of Uzbekistan in cooperation with the Tashkent State University of Oriental Studies are organizing The 4th international conference "**Sustainable Development: Women's Initiatives in Science and Business**"

It is planned to accept articles for the international conference in the following areas:

- Initiatives for the development of science (e-mail: nadira_xalmurzayeva@tsuos.uz. Tel: +998946965038)
- Initiatives to improve the quality of education (e-mail: gulshoda_yunusova@tsuos.uz Tel: +998993909228)
- Practical strategies for attracting women and young people to business (e-mail: zulayxo_kadirova@tsuos.uz Tel: +998973443533)

Important note! The presented articles and materials should contain useful and practical recommendations for experts in the field based on advanced local and foreign experience.

Articles are accepted in Uzbek, Russian, English.

To participate in the international conference, attention should be paid to the following:

Experts are requested to send the text of the article to the individuals in charge of the thematic areas of the organizing committee by February 1, 2024. *The organizing committee has the right to make technical edits to the materials, as well as not to comment on the article if it is not accepted or returned.*

Each article is checked for **plagiarism** through the turnitin.com system.

After the article is approved, it is envisaged that the authors will pay a contribution of 100,000 soums in order to cover costs such as indexing in scientific and technical databases, attaching a DOI number.

Selected articles will be published as a collection of "Proceedings of the International Conference".

Published articles are indexed in the following bases:

- *Google scholar*
- *cyberleninka.ru*
- *Crossref*
- *Archive.org*

Each article published in the collection is assigned a **DOI (Crossref)** number.

Requirements for the preparation of the article:

The length of the article should not be less than 8-10 pages.

The text of the article is in Doc format, Latin script, 1.5 spacing, 15 mm on the right side, 30 mm on the left side, 20 mm margin on the top and bottom, and Times New Roman 14 font.

Requirements for the structure of the article:

- the name of the article is given in capital letters;
- the author's surname, first name and patronymic, position, scientific title, place of work, e-mail address are given in full;
- annotation (brief content and purpose of the article, should not be less than 100 words) is given in **Uzbek, Russian, English;**
- keywords and phrases should consist of 7-10 words;
- the content of the article should consist of Introduction, Main part, Results and Discussions, Conclusions, References. References are given at the end of the general article. References should be placed on the page from the literature at the end of the article [for example, 1, p.23].
